Scheme for FULL & HALF freeship for students of UIT, BU-2019

Basic conditions:-

1. Only the poor and meritorious students shall get the benefit of full or half freeship
2. The applicant shall pass HS or equivalent exam (10+2 std.) within one year back from the year of admission.
3. For the students beneficiaries of the freeship, there will be no consideration for short attendance in any circumstances.
4. Benefit of such concession once granted to a candidate in the first year of the course would be continued in the 2 nd, 3rd and 4th year subject to his/her satisfactory progress in the subsequent year(s).
5. All the students availing the facility of freeship shall give special services to the Institute as per the demand of the situation (if needed).
6. Only the Tuition fee &/or Development fee is to be exempted in full or half, to the eligible candidates.
7. Candidates seeking such concession in tuition fee would be required to submit application in prescribed format to the principal along with the income certificate of guardians from appropriate authority. The committee formed for this purpose will select the names of the eligible candidates.
8. Candidates receiving any other scholarship may not be considered if there is any other deserving candidate, if not then the amount of freeship should be reduced by the amount of scholarship already received.

Eligibility criteria:
