General Guidelines for BE/ME Intermediate Even Semester Examinations 2020-21

As per UGC/AICTE guidelines regarding B.E/M.E(Intermediate Even Semester) Examinations, the University authority has framed the following modalities.

1. Assessment of examinees shall be based on internal assessment/evaluation and previous semester's performance.
2. Grading of examinees of regular and backlog candidates of B,E(Semester II,IV,VI) and M.E(semester II) will be done by combining 50% weightage from internal assessment/evaluation and 50% weightage from the average of the percentage marks obtain by the candidate in previous semesters examination.
Explanation: 50% of Internal assessment/evaluation will be done by following:
Averaging of Two:
 - i) One Internal assessment/evaluation of F.M 50
 - ii) One 50 marks(Proportionately obtained from CA marks 30)
3. Internal Assessment/Evaluation will be taken of marks 50 for each paper (Theory and Practical/Sessional) for both U.G and P.G by the respective departments.
4. Only enrolled candidates will be considered as examinees and only their results will be processed for publication.
5. Provision of scrutiny will not be considered for these examinees.
6. If any enrolled examinee wishes to improve the grades, He/She may appear in regular semester examinations for such subject during next even semester, if situation permits.
7. Candidates are directed to fill in their respective examination forms and complete all formalities as notified (No.C/EC/E-Form/1307). Mere filling in the enrolment/examination form does not confirm the chance to appear at the respective semester of examination, if the candidate fails to comply or satisfy his/her eligibility criteria as prescribed in the existing UG/PG examination regulation. The University will be liable to such cases.

The above mentioned modalities are applicable for the aforesaid semester's examinations only.

Date: 27/08/2021
