

TRAINING AND PLACEMENT STATUS FOR 2017-18

TRAINING: UIT assists in nurture students and to get Corporate Exposures through professional training, internships and industrial visits. Right from the beginning Institute provide PRESAP (Pre-Employment Skill Assessment Program) Program to comprehensively update and upgrade students with soft and technical skills for employability. We provide this facility partnering with leading corporate:-

- NICCO VENTURES
- COCUBES

Institute also engages COCUBES for the diagnostics measurement and assessment for pre employability skill development of the students .

PLACEMENT: The Institute authority makes sincere efforts to arrange number of interviews both on and off campus where the students proof their merits to secure their employment. Institute also conduct AMCAT and COCUBES online scoring tests (twice in a year) based on this score students absorb in multinational and multifaceted companies which include *Amazon, HP, Wipro, Adobe, HSBC, Deloitte, Capgemini, Cognizant, Hexaware, MindTree, Great Eastern Shipping* etc, companies of repute whose name matter in the corporate world . These scores remain valid for one year tenure (even after the completion of final examination). [Click here](#)

This year some of the major on campus recruiters are *TCS, Artech Infotech, Acadecraft, Bhilwara Infotech, Mapel Construction, CE Tesing, CMS IT services, Maclean Technologies, Karvy, Epic Research, KKSPUN, BEPL, ELDYNE* etc

More than 70% of the job aspirant are already placed from the batch 2014-18 and UIT maintains its success

- in campus recruitment
- Placement graph is expected to grow since many more companies are in que.
